FEMA COVID-19 Update

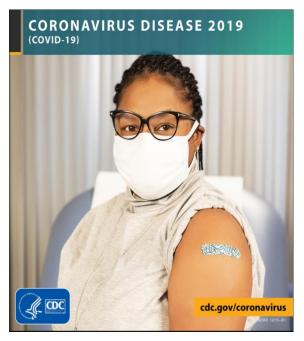

The COVID-19 pandemic has brought overwhelming grief to many families. Today, FEMA begins processing applications for funeral assistance. Under the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 and the American Rescue Plan Act of 2021, FEMA is providing financial assistance for COVID-19 related funeral expenses incurred after January 20, 2020. Please follow the links below for additional information. COVID-19 Funeral Assistance | FEMA.gov and more information on FEMA assistance.

Why It's Important to Prevent COVID-19

Although most people with COVID-19 get better within weeks to months of illness, some do not. CDC and experts around the world are working to learn more about short- and long-term health effects associated with COVID-19, who gets them, and why. Read more about post-covID conditions.

VACCINE NEWS

Learn About the COVID-19 Vaccines

To stop this pandemic, it will require the use of all of the prevention tools. Vaccines are one of the most effective tools to protect health and prevent disease. Vaccines work with the body's natural defenses so the body will be ready to fight the virus. Take a look at the COVID-19 Fact Sheet to learn more about the vaccines.

When You've Been Fully Vaccinated...

People who are fully vaccinated can start to do some things they stopped doing because of the pandemic, according to the Center for Disease Control (CDC). Find out what's considered safe and what precautions should still be followed after being fully vaccinated. Read more.

Vaccine Hubs and Waiting Lists

All adults are now eligible to receive a COVID-19 vaccine in Texas. Several COVID-19 vaccine hubs and vaccination sites are available around The Woodlands and Montgomery County. Planning to Travel?

The CDC recently issued updated information for travelers. Fully vaccinated travelers are less likely to get and spread COVID-19. People who are fully vaccinated with an FDA-authorized vaccine can travel safely within the United States and do not need to self-quarantine. Fully vaccinated travelers should still follow CDC's recommendations for traveling safely, including:

- Wear a mask over your nose and mouth
- Stay 6 feet from others and avoid crowds
- Wash your hands often or use hand sanitizer
